****The New Mexico Workers Compensation Administration relies on carriers to accurately report their data to the agency. Carrier submissions are subject to computer edits and review by WCA staff. However, the data used in this report remains unaltered by the WCA. As such, data reporting errors can occur and may result in skewed scorecard results.**

NEW SCORECARD ITEM

On January 1, 2017, a new rule (11 4.2.8 A (1) NMAC) became effective that requires all payers to submit all claim reports electronically. As a result, large portions of the “Total Report” section of this scorecard became obsolete. Specifically, the need to track the number of paper reports received compared to electronic reports for the year has disappeared.

As a replacement, the NM WCA has expanded another component of the “Total Report” section; the legal activity figures (formerly referred to as contested claims). Some key points about the new “12 Quarter Legal Activity” section follow:

- ❖ The term ‘contested’ as it was used in the previous report section was a misnomer. The data being measured is the number of claims with any activity within our Dispute Resolution Bureau. This includes cases requiring a judge’s approval without necessarily involving a dispute, for example; an agreed-upon lump sum settlement. Consequently, the term ‘contested’ has been updated to ‘Legal Activity’
- ❖ The legal activity doesn’t always occur within the first year of a claim. To obtain a more consistent and meaningful measure of legal activity, the period evaluated in this section has been expanded to cover the most recent 12 calendar quarters.
- ❖ Tracking and monitoring legal activity data can provide valuable insight regarding workers’ compensation in New Mexico. The Economic Research and Policy Bureau is looking into ways to expand this section in future Scorecards.

If you have any questions, comments or concerns about the new process, please call Leigh Martinez at (505)841-6896, or speak to anyone in the NM WCA’s Bureau of Economic Research and Policy. Thank you!
